2. Definitions

- 1) "Error" is a mistake, misprint, misinterpretation, mishearing, misreading, mistranslation, spelling mistake, technical hazard, registration error, transaction error, manifest error, force majeure and/or similar. Examples of errors include, but are not limited to:
 - bets accepted during technical problems that would otherwise not have been accepted;
 - bets placed on events/offers that have already been started or decided;
 - bets on markets/events containing incorrect participants and/or not allowed within the applicable jurisdiction;
 - bets placed at odds that are materially different from those available in the general market at the time the bet was placed;
 - bets offered at odds which reflect an incorrect score situation; or else,
 - odds being clearly incorrect given the chance of the event occurring at the time the bet was placed.
- 2) "Influence Betting" is an act, prohibited by the Licensee, where a Customer, or parties acting in association with a Customer, can influence the outcome of a match or an event - directly or indirectly.
- 3) "Syndicate Betting" is an act, prohibited by the Licensee, where Customers act together to place a series of bets on the same event or competition. Where there is evidence of Customers acting together in this manner the Licensee reserves the right to make the relevant bets void and/or withhold payment of returns pending the outcome of subsequent investigations.

3. Bet Acceptance

- 1) Unless accepted in Error, once accepted, a bet will remain valid and cannot be withdrawn. It is the responsibility of the Customer to ensure details of the bets placed are correct. Under no circumstance will the Licensee accept any responsibility for any mistakes (perceived and actual), deriving from either Errors or any other reason, such as but not limited to, incorrect listing of the odds/betting objects.
- 2) Should a dispute arise about the acceptance (or lack thereof) of any transaction, the transaction log database will be the ultimate authority in deciding such matters.
- 3) Licensee is not responsible for lost, stolen, altered or unreadable tickets. For all honored lost or stolen tickets, once the rightful owner of a winning ticket has been determined, if possible, payment will be made as soon as possible. For all lost, stolen or unreadable tickets where

the rightful owner cannot be immediately determined the waiting period for honored claims will be 180 days after the date of the event.

- 4) Should a dispute arise about the acceptance (or lack thereof) of any transaction, the transaction log database will be the ultimate authority in deciding such matters.

4. Betting and Payout Limitations

- 1) The Licensee reserves the right to limit the net payout (the payout after the stake has been deducted) on any bet or combination of bets by one Customer for any bets placed or settled within a 24-hour timeframe. This limit may be lower depending on the specific sport, league and type of bet offer. For further information it is recommended to consult the Sport Specific Limits in the House Rules.
- 2) All bet selections are subject to pre-imposed limits set solely at Licensee's discretion which may be lower than the limits mentioned in these House Rules. Should this limit be reached, the Customer has the right to ask for it to be exceeded by means of a request effected through Licensee's sportsbook. The Licensee reserves the right to accept (fully or partially) or reject the said request without any prior notice and further explanation.
- 3) The Licensee reserves the right to decline, solely at its own discretion, all, or part of, any bet requested. This includes the possibility that a wager such as a "Round Robin" as defined herein is not accepted in full, either in terms of stakes or combinations/parlays included in said Round Robin.
- 4) The Licensee reserves the right to restrict or deny access, totally or partly, to the user account, at its own discretion.
- 5) All bets placed through the Licensee's sportsbook, also including bets requesting manual approval, may be subject to a time delay prior to acceptance, the length of which may vary. Such delay is to be determined by the Licensee at its sole discretion.
- 6) Licensee reserves the right to withhold payment and/or to declare bets void on an event (or series of events), if there is sufficient evidence that any of the following has occurred:
 - a. the integrity of the event has been called into question;
 - b. the price(s) or pool has been manipulated;
 - c. Match-rigging has taken place, or the match is under investigation for such;
 - d. Results/outcomes need to be further ascertained with a third party organization, including but not limited to the organizing association and/or the relevant Regulatory body.

Evidence of the above may be based on the size, volume or pattern of bets placed with the Licensee across any or all of its betting channels, as well as information received from other betting providers or officially recognized organizations. The licensee will notify the Division within 3 hours of the determination or at least one hour prior to the event, whichever occurs sooner.

- 7) All odds offered are subject to variation. Such fluctuation is determined solely at the Licensee's discretion. Bets are accepted only at the odds available in the betting grid at the time the bet was accepted by the Licensee, irrespective of any other claim or previous publication present on the website or any other media detailing otherwise.
- 8) All payout calculations when settling bets will be done based on Decimal odds, irrespective of any other format displayed/chosen at time of bet placement,

5. Cancellation and Voiding of Bets

- 1) A bet can be declared void, and will be, in that event, settled with the odds of 1.00, with the original stake returned to the Customer.
- 2) A bet made as a parlay or accumulative bet shall remain valid with recalculated odds based on the remaining legs should a part of the parlay/accumulative bet be void.
- 3) Licensee reserves the right, at its own discretion, to declare a bet void, totally or partly, if it is obvious that any of the following circumstances have occurred:
 - a. Bets have been offered, placed and/or accepted due to an Error;
 - b. Bets placed while the Licensee was encountering technical problems, that would otherwise not have been accepted;
 - c. Influence Betting;
 - d. Syndicate Betting;
 - e. A result has been affected by criminal actions - directly or indirectly;
 - f. A public announcement has occurred in relation to the bet which significantly alters the odds.
- 4) A bet made as an accumulative bet shall never include two or more offers the outcomes of which might turn out to be related (e.g. Team X to become champions and Player Y to be Top Goal Scorer in the same league). Although the Licensee takes all necessary steps to prevent such possibilities, in the eventuality that this would happen, the Licensee reserves the right, solely at its own discretion, to declare void all parts of the accumulative bet which include the correlated outcomes.
- 5) Bets can be voided regardless of whether the event has been settled or not.
- 6) Furthermore, all bets placed (and/or accepted) in the following circumstances will be declared void:
 - i. Pre-match betting is mainly bets taken at pre-match odds after the event started.
 - ii. Betting effected after the event has started;
 - iii. Betting effected after a related event was underway and where conditions could have been altered in a direct and indisputable way.

By way of a single example in no way meant to be exhaustive, this would include a wager at pre-match odds made on a game that started yet the pre-match odds continued to be offered in error to the Customers.

- a. Live Betting
 - i. Betting effected at incorrect price due to delayed or failing 'Live' coverage;
 - ii. Betting effected on particular offers after these have occurred, or else after an event which could normally be deemed as leading to the outcome has happened or is happening (e.g. bets placed on offers such as Total Goals Scored or Next Goal while a penalty kick is being taken, or has been awarded);
 - iii. Betting effected on odds which represented a different score than the actual;

6. Disclaimer and Priority

- 1) The Licensee reserves the right, at its own discretion, to recoup a Payout made to a Customer if it is obvious that the Payout has been credited to the Account due to an Error.
- 2) Any complaints/disagreements towards settlement of any bet offer, should reach the Licensee within 7 days of the initial settlement to require a full investigation. All other complaints will only be considered if indisputable evidence of an inaccurate settlement is presented by the Customer.
- 3) The Licensee reserves the right to suspend access to the Sports Book until it completes any investigations it deems necessary.
- 4) These rules are applicable to all transactions with the Licensee's Sports Book, and may be supplemented with other Rules. In the event of ambiguity, priority should be considered in the following order:
 - a. Rules and conditions published in conjunction with an offer and/or campaign;
 - b. Should these be inconclusive, reference will be made to the General Sports Book Rules, unless Sport Specific Rules declare otherwise.
 - c. In cases where it deems that these Rules are inconclusive, the Licensee reserves the right, according to its own discretion, to settle offers on an individual basis on the basis of equity, attaining itself to generally accepted betting norms, customs and definitions.
- 5) Adaptations into other languages of these House Rules, or any other text which can be associated with bet offers, are done for purely informative purposes. Although all necessary precautions have been taken to assure the most faithful rendition of these terms in the specific language, the Licensee will not accept any liability for any incompatibility between the English version and any other language. Thus, in case of discrepancy between the English edition and the respective translation, the former will be deemed as binding and will be the basis upon which the offers will be settled.
- 6) Any data provided or accessible in, from or related to the Sports Book may be used by the Customer for private, non-commercial use only and any use or attempted use of such data for commercial purposes is strictly prohibited.
- 7) The Licensee has the right to enforce a term of the contract relating to the Sports Book against any Customer.
- 8) All promotions, bonuses, or special offers offered to Customers based on the Services are subject to the express terms of the bonus offered and promotion-specific terms and conditions and any bonus credited to your Account must be used in adherence with such terms and conditions. By accepting a promotion, bonus, or special offer available on the Services, you consent to the terms and conditions of such promotion, bonus, or special offer. Licensee reserves the right to withdraw any promotion, bonus, or special offer at any time without prior notice to the player database. Bonus funds and any winnings derived therefrom are only converted to cash in accordance with the express terms of the bonus offered and the promotion-specific terms and conditions. Bonus funds that have not been converted to cash may be forfeited under circumstances identified in the terms and conditions of a specific promotion, bonus, or special offers. In instances where a promotion, bonus or special offer is in conflict with the approved House Rules, the terms of the promotion, bonus or special offer shall prevail.

B. General Betting Rules

1. Common Terms of Reference

- 1) Unless listed either in conjunction with the bet offer, or else in the Sport Specific rules, all bets should be considered valid for the result at the end of the "Regulation Time", "Regular Time" or "Full Time" only. "Regulation Time", "Regular Time" or "Full time" is defined as interpreted by the official rules published by the respective governing association. For example, in Soccer, full time is stipulated to be 90 minutes including stoppage time, and in Ice Hockey it is stipulated as the 3 x 20-minute periods. Should the governing association decide to stipulate, before the start of the event, that the said event is to be played over a different duration, this will be treated as being the official rules for the event (for example, Soccer matches played with 3 x 30 minutes or 2 x 40 minutes formats). Nonetheless, such occurrence is limited to the "regular" playing time and does not include any prolongation such as extra time or overtime, unless explicitly stated.
- 2) "Live Betting" is where it is possible to bet during an ongoing match or event. The Licensee does not acknowledge or accept any liability whatsoever if it not possible to place a bet or the live score update is not correct. At all times it is the Customer's responsibility to be aware of the match and the events surrounding it such as the current score, its progression and how much time remains before the match is completed. The Licensee does not accept any liability for changes to the Live Betting schedule or interruption of the Live Betting service.
- 3) The 'Cash Out' function allows the Customer the possibility to redeem a bet, which status has not been settled yet, at its current value. It is available on selected events both in pre-match and live, as well as on both single and multiple bets. Cash Out functionality cannot be used on free bets. Cash Out requests might be subject to the same delay procedure as listed in these House Rules. Should it happen that during this delay, for whatever reason, either the offer is removed, or odds fluctuate, the Cash Out request will not be accepted, and the Customer will be notified with an on-screen message. The Licensee reserves the right to offer such functionality solely at its own discretion and does not acknowledge or accept any liability whatsoever if the Cash Out functionality is not available. Should a Cash Out request be successful, the bet will be settled immediately and any subsequent events which occur in relation with the bet will not be considered. In the instance of a Cash Out bet having suffered from a technical, pricing or settlement error at any time between the time of original offering and the final settlement, the Licensee reserves the right to rectify such inaccuracy in accordance with these House Rules.
- 4) The "Participant" is an object constituting part of an event. In "Head-to-Head" and "Triple-Head" the Participant only refers to objects that are subject to the "Head-to-Head" or "Triple-Head" event in question. For sake of clarity a "participant" is to be intended as a single player, a team or any group of individuals grouped/listed together. Any reference to participants within these rules is to be intended accordingly regardless of whether its definition is in singular or plural.
- 5) The deadline (cut-off time) shown in the sportsbook, on its platform, website or any sportsbook displays is to be treated for information purposes only. The Licensee reserves the right, at its own discretion, to suspend, partially or completely, the betting activity at any time where it deems necessary.

- 6) Statistics or editorial text published on the Licensee's website(s) are to be considered as added information. The Licensee does not acknowledge or accept any liability whatsoever if the information is not correct. At all times it is the Customer's responsibility to be aware about circumstances relating to an event.
- 7) Theoretical return in fixed odds betting to the player is given by the odds from all possible outcomes in the offer. The theoretical payback to a player on a bet offer with 3 outcomes a, b and c can be calculated as follows.

$$\text{Theoretical \%} = 1 / (1 / \text{"odds outcome a"} + 1 / \text{"odds outcome b"} + 1 / \text{"odds outcome c"}) \times 100$$

2. **Bet Types**

- 1) "Moneyline" or "Game" or "Match" (aka 1X2) is where it is possible to bet on the (partial or definite) outcome of a game or event. The options are: "1" = Home team/Player 1, or the participant listed to the left side of the offer; "X" = Draw/Tie, or the selection in the middle; "2" = Away team/Player 2, or the participant listed to the right side of the offer. In particular instances or specific competitions, [the Licensee] might display an offer in the so-called "American" format (ie: Away Team @ Home Team), where the host team is listed following the visiting team. Irrespective of the positioning of the teams on the board/betslip/display, the references to "Home" and "Away" teams will always refer to the actual teams playing at home (host) and away (visitor) respectively, as determined by the official organization bar the exceptions as detailed in these House Rules.
- 2) "Correct Score" or "Result Betting" is where it is possible to bet on the (partial or definite) exact score of a match or event, or part of it.
- 3) "Over/Under" or "Totals" is where it is possible to bet on the (partial or definite) amount of a predefined occurrence (e.g. goals, points, corners, rebounds, , etc.). Should the total amount of the listed occurrences be exactly equal to the betting line, then all bets on this offer will be declared void. Example: an offer where the betting line is 128.0 points and the match ends with the result 64-64 will be declared void.
- 4) "Odd/Even" is where it is possible to bet on the (partial or definite) amount of a predefined occurrence (e.g. goals, points, corners, rebounds, etc.). "Odd" is 1, 3, 5 etc.; "Even" is 0, 2, 4 etc.
- 5) A "Head-to-Head" and/or "Triple-Head" is a competition between two or three participants/outcomes, originating from either an officially organized event, or else, as virtually defined by the Licensee.
- 6) "Half time/Full time" is where it is possible to bet on the result in Half time and the outcome at the end of the listed timeframe. E.g. if at Half time the home team is leading 1-0 and the match ends 1-1, the winning outcome is 1/X. Bets on this market will be declared void should the match be played in a format where it is impossible to determine an outcome based on the timeframes listed within the offer.
- 7) "Period betting" is where it is possible to bet on the outcome of each separate period within a match/event. E.g. If the period scores in an ice hockey match are 2-0 / 0-1 / 1-1, the winning

outcome is 1/2/X. Bets on this market will be declared void should the match be played in a format where it is impossible to determine an outcome based on the timeframes listed within the offer.

- 8) "Draw No Bet" is where it is possible to bet on either "1" or "2" as defined in <Section B, Para 2.1>. It is also common practice to refer to "Draw No Bet" in cases where no draw odds are offered. Stakes will be refunded should the specific match/event not produce any winning outcome (E.g. match ends as a draw), or the occurrence not happen (E.g. First Goal, Draw No Bet and match ends 0-0).
- 9) "Spread", "Point Spread, or "Handicap" is where it is possible to bet on whether the chosen outcome will be victorious once the listed spread or handicap is added/subtracted (as applicable) to the match/period/total score to which the bet refers to. In those circumstances where the result after the adjustment of the spread or handicap line is exactly equal to the betting line, then all bets on this offer will be declared void. Example: a bet on -3.0 goals will be declared void if the team chosen wins the match by exactly 3 goals difference (3-0,4-1, 5-2, etc). Any reference in this section to the term "margin" is intended to be understood as the outcome emerging from the subtraction of the goals/points scored by the 2 teams/participants.

Unless otherwise stated, all spreads and handicaps listed on the Licensee site are to be calculated based on the result from the start of the listed match/period to the end of the specified match/period. It is however customary that for certain spread or handicap bet offers in specific sports (Asian Handicap in Soccer), only the outcomes obtained from the time of bet placement until the end of the listed timeframe will be taken into consideration, thus disregarding any goals/points scored before the time the bet was placed and accepted. Any bet offer with these characteristics will be clearly displayed on site and highlighted on the Customer's ticket with the score at the time of bet placement.

There are 3 different spread or handicap betting formats:

2-way Spread/Handicap: Team A (-1.5) vs Team B (+1.5)

Example:

- The spread when Team A is playing Team B has Team A favored by 1.5 goals (ie. Team A giving 1.5 goals). For a spread bet on Team A to be won, Team A must win the match with a margin equal or bigger than the listed spread (ie. 2 goals or more). Team B is an underdog of 1.5 goals in the match (ie. Team B getting 1.5 goals). For the spread bet on Team B to be won, Team B must either win the match, the match finishes in a draw or Team B does not lose by a margin larger than spread (ie. lose the match by 1 goal).

3-way Spread/Handicap: Team A (-2) Draw (Exactly 2) Team B (+2)

Example:

- The spread when Team A is playing Team B has Team A favored by 2 goals (ie. Team A giving 2 goals). For a spread bet on Team A to be won, Team A must win the match by a margin larger than the listed spread (ie. 3 goals or more). Draw would be the victorious outcome should the match end up with exactly the listed spread (ie. match ends with Team A winning with final scores of 2-0, 3-1 or 4-2). Team B is an underdog of 2 goals in the match (ie. Team B getting 2.0 goals). For a spread bet on Team B to be won, Team

B must either win the match, the match finishes in a draw or Team B does not lose by a margin larger than the spread (ie. Lose the match by 1 goal).

Asian Handicap: Team A (-1.75) vs Team B (+1.75)

Example:

- The spread when Team A is playing Team B has Team A favored to win by 1.75 goals. This means that the stake is divided into 2 equal bets and placed on the outcomes of Team A favored by 1.5 goals and 2.0 goals (ie. Team A giving -1.5 and -2.0 goals respectively).. For the bet to be fully paid out at the listed odds, Team A must win the match with a bigger margin than both of their listed spreads (ie. Win by 3 goals or more). In the eventuality that Team A wins with only a 2 goal margin, the bet will be considered as partially won with a full payout on the part of the bet where Team A was favored by 1.5 goals and a refund on the part of the bet where they were favored by 2.0 goals since the outcome on that part of the bet would be considered a "tie". Should the match produce any other outcome, including a Team A victory with only a 1 goal margin, the whole stake would be lost.

Team B is an underdog of 1.75 goals. This means that the stake is divided into 2 equal bets and placed on the outcomes of Team B as an underdog of 1.5 and 2.0 goals (ie. Team B getting 1.5 and 2.0 goals respectively). For the bet to be fully paid out at the listed odds, Team B must either win the match, match finish in a draw or Team B does not lose with a margin equal or bigger than any of their listed spreads (ie. lose by only a 1 goal margin). In the eventuality that Team B loses with exactly a 2 goal margin, the bet will be considered as partially lost with a refund on the part of the bet where Team B was getting 2.0 goals and a loss on the part of the bet where Team B was getting 1.5 goals. Should the match produce any other outcome which results in a defeat of Team B with a margin of 3 or more goals, the whole stake would be lost.

- 10) "Double Chance" is where it is possible to bet simultaneously on two (partial or definite) outcomes of a match or event. The options are: 1X, 12 and X2 with "1", "X" and "2" as defined in <Section B, Para 2.1>.
- 11) "Future" or "Outright" or "Place" betting is where it is possible to choose from a list of alternatives and bet on the eventuality that a participant wins or places within a specified position in the classification of the listed event/competition. Should two or more participants share finishing positions, the settlement will be based as per the definition in <Section B, Para 5.14>.
- 12) An "Each Way" bet (aka EW) refers to a bet where the chosen selection must either Win or else Place within the payout terms. The bet is divided in two parts (the "Win" part and the "Place" part) of an equal stake. Settlement of such bets will take into account the applicable rules governing the "Win" and "Place" bets, namely the Sport-specific rules as well as <Section B, Para 5, Clause 11>.
- 13) "Goal minutes" is where it is possible to bet on the sum of the minutes when the goals have been scored. When settling such bets, goals scored in stoppage time of both halves are to be considered as having been scored in the 45th minute in case the goal was scored in the first half stoppage time and the 90th minute in case the goal was scored in the second half stoppage time. Own goals will not count towards the settlement of individual player's 'goal minutes'.

3. Betting Props

- 1) "Grand Salami" is where it is possible to bet on the total number of listed occurrences (Example: Total Goals, Total Runs) happening in a collection of matches/events on a specified round/day/match day. All relative matches/events must be completed for bets to stand except for those the outcomes of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.
- 2) Over/Under bets on classification of participants in performances/events must be interpreted as follows: "Over" means a worse or lower position while "Under" means a better or higher position. Example: A bet on a player's classification in a tournament with an Over/Under line 2.5 will be settled as Under if the player classifies first or second. All other placements will be settled as Over.
- 3) Bets on "Quarter / Half / Period X" refer to the result/score achieved in the relevant timeframe and does not include any other points/goals/events tallied from other parts of the event/match. Bets on this market will be declared void should the match be played in a format where it is impossible to determine an outcome for the timeframes specified in the offer.
- 4) Bets on "Result at end of Quarter / Half / Period X" refer to the result of the match/event after termination of the stipulated timeframe and will take into account all other points/goals/events tallied from previous parts of the event/match. Bets on this market will be declared void should the match be played in a format where it is impossible to determine an outcome for the timeframes specified in the offer.
- 5) Bets on "Race to X Points / Race to X Goals..." and similar offers refer to the team/participant that is the first to reach the specified tally of points/goals/events. If the offer lists a timeframe (or any other period restriction), it will not include any other points/goals/events tallied from other parts of the event/match which are not related to the mentioned timeframe. Should the listed score not be reached within the stipulated timeframe (if any), all bets will be declared void, unless odds for such eventuality have been published within the market.
- 6) Bets on "Winner of Point X / Next to Score " and similar offers refer to the team/participant scoring/winning the listed occurrence. For the settlement of these offers, no reference to events happening prior to the listed occurrence will be taken into consideration. Should the listed occurrence not be scored/won within the stipulated timeframe (if any), all bets will be declared void, unless odds for such eventuality have been published within the market.
- 7) Bets referring to the happening of a particular occurrence in a pre-defined time order will be settled as void should it not be possible, without any reasonable doubt, to decide the winning outcome.
- 8) "To score first and win" refer to the listed team/participant being the first to register any scoring in the match and going on to win the match. Should there be no scoring in the match all bets will be settled as void.

- 9) Any reference to "Clean sheet"/"Shutout" indicates that the listed team/participant must not concede any goal/points during the match/relevant timeframe.
- 10) " To win from behind" refers to the listed team/participant winning the match after having been at least 1 goal/point behind their opponents at any point in the match/relevant timeframe.
- 11) Any reference for a team/participant to win all halves/periods (e.g. Team to win both halves) means that the listed team must score more goals/points than its opponent during all the stipulated halves/periods of the match.
- 12) Any reference to "Injury time" refers to the amount displayed by the designated official and not to the actual amount played. For example betting on whether there will be injury time or betting on amount of injury time is prohibited.
- 13) Settlement of bets on offers such as "Man of the Match", "Most Outstanding Player", "Most Valuable Player" etc. will be based on the competition's organizers' decision, unless otherwise stated.
- 14) Settlement of bets which make reference to terms such as "decisive goal" will be settled based on the scorer of the goal that at the end of the match/tie (as applicable) proves to be the one that has produced an unassailable lead, following which any further goals would prove to be irrelevant towards the final outcome. For a bet to be settled as "YES" the listed player's team must be declared winner of that particular match (in case of one match) or progressing to the next round/winning the competition. Goals scored in Regular Time and Extra Time count but not Penalty Shoot outs.
- 15) Bets on events which feature a selection of episodes that could happen in a match (E.g. "What will happen first to the player? with options "Score a goal, , Be Substituted) will be settled as void should none of the listed events/outcomes occur, unless odds for such eventuality have been published within the market.
- 16) Settlement of Transfer bets will also take into account players signed by the club on loan deals.
- 17) Bets referring to Managerial changes refer to the individual in the Head Coach/Manager role (as applicable) who steps down/is removed from the position for any reason. Bets are valid even in cases where a co-coach or co-manager (if any) leaves their position and will be settled accordingly. In case that no more changes are happening between the time the bet is placed and the last league fixture (excluding play-offs, play-outs, post season, etc.) the bets placed after the last Managerial change (if any) will be void, unless a suitable option has been offered for betting. Soccer markets will consider and settle accordingly, any interim/caretaker Head Coach/Manager who since the last Managerial change has led the team for 10 consecutive matches.
- 18) Offers referring to which team/participant will achieve a particular accomplishment against another team/participant (E.g. Next team to beat Team X) as well as offers which refer to the classification on a certain date, will stand and be settled regardless of any eventual fixture changes and number of games/rounds played.

- 19) Settlement of offers referring to which team/participant will be the first to achieve a particular accomplishment against other team(s)/participant(s) (E.g. Team to score first in Matchday X) will be based upon the timeframe in the respective match in which the feat has been accomplished. Example: Team A plays on Saturday and score their first goal in the 43rd minute while Team B plays on Sunday and score their first goal after 5 minutes, then Team B will be settled as winner.
- 20) From time to time the Licensee, at its sole discretion and without prejudice to related contingencies as described in *<Section A, Para 5, Clause 4>*, might decide to publish offerings referring either to the single performance of a participant/team or offerings which combine the potential outcomes of 2 or more teams/participants (example: Enhanced Multiples, Boosted Odds, etc), at higher odds than those normally available. [the Licensee] reserves the right to withdraw such offers, edit the respective odds and effect any further changes [the Licensee] might deem necessary at its sole discretion. Settlement of these offers will be based on the following criteria in the listed order:
1. Unless specifically stated the offer refers only to the listed day(s) and/or next official match/event/round (as applicable) that the listed participants/teams are scheduled to take part in at the time the offer is published;
 2. Results settled as per respective Sport-specific rules. All related events must be completed as scheduled within the applicable timeframes for bets to stand unless any other outcome in the offer would incontrovertibly determine the outcome of the offer in a way that completion (or lack of thereof) of the other events listed in the offer would not influence the outcome of the offer. Such markets will be settled according to the already determined outcomes;
 3. Unless explicitly stated within the offer, result settlement will only take into account occurrences deriving from the actual play. Results attributable to walk-overs, protests, changes to the first official result, etc will not be taken into consideration. Stakes will be refunded should it be impossible to determine a winning outcome in accordance with the respective Sport-specific rules;
 4. All connotations related to the offer must be fully and unquestionably complied with for the bet to be deemed as winning, regardless of any possible conflict with the Sport-Specific rules or with any potential interpretation based on previous or current presentation of offers related to events in that particular sport and the way these are normally presented in the Licensee's Sports Book. Where applicable, should the offer include any outcome the result of which ties exactly the chosen Over/Under or Spread line (aka PUSH) this will not be considered as having accomplished the listed occurrence and will result in the bet being settled as LOST.

While all necessary precautions have been taken by the Licensee to ensure a superior user experience, it is to be understood that markets might fluctuate in such a way that, at any given point in time, these markets do not represent an enhanced value comparable to related bet offers currently present on the Licensee's Sportsbook. All bets remain valid regardless of these eventual fluctuations.

During selected events, the Licensee will provide users with functionality to place bets combining outcomes and occurrences from the same event (aka Intra-Event Parlays), either through pre-established parlays present in its Sportsbook (excluding Enhanced Multiples, Boosted Odds, etc for which *<Section B, Para 3, Clause 21>* applies). Such functionality is only present at the Licensee's sole discretion and without prejudice to related contingencies as described in *<Section A, Para 5, Clause 4>*. Settlement will be based on the respective Sport-specific rules. All related occurrences must be fully accomplished for a bet to be considered as having happened and eventually paid out at the odds struck. Stakes refunded should any part of the parlay be settled as VOID. Where applicable, should the parlay feature any outcome the result of which ties exactly the chosen Over/Under or

Spread line (aka PUSH), such part of the parlay will be removed from settlement calculation and bets will be paid out taking into consideration only the other parts of the parlay.

- 1) "Teaser+" allows the user the possibility to allocate the same pre-set amount of points to all outcomes present in a parlay containing Spreads (Handicaps), Totals (Over/Unders) or a parlay of both.
Example: User combines NFL Team X +6.5 points in a parlay with Over 41 points in the NFL match between Team Y and Team Z. By choosing the "Teaser+ Football 6 points" option, the lines and odds get recalculated into a parlay featuring Team X +12.5 points (previously +6.5), combined with Over 35 points (previously Over 41). Should any part of a "Teaser+" bet be settled as void (push), that particular selection will be excluded from the parlay and the computation of odds/payout will be re-adjusted accordingly..
- 1) Bets referring to "Rest of the game/match" or similar will consider only outcomes and occurrences obtained from the time of bet placement until the end of the listed timeframe, thus disregarding any occurrences registered before the time the bet was placed and accepted.
- 2) Bets on specific timeframes/intervals (example: Game result between 60:00-89:59), will consider only outcomes and occurrences accumulated during the specified timeframe/interval. Settlement will not take into account any other points/goals/events tallied from other parts of the event/game outside the specified timeframe/interval, including stoppage time, unless specified.

4. Round Robin Bets

- 1) In Pre-match betting, it is possible to combine up to twelve (12) different offers on a single coupon. Based on these twelve offers, Customers can choose their own number of permutations.
- 2) In In-Game/Live Betting it is possible to combine up to twelve (12) different offers on a single coupon as a parlay or accumulator bet. Based on these twelve offers, Customers can choose their own number of permutations.
- 3) Licensee reserves the right to limit the amount of combinations due to what is known as outcome dependency/related contingencies, as defined in <Section A, Para 5.4> and also other factors, solely at its own discretion.
- 4) It is possible to include one or several matches as 'bankers' which means that the selected matches/events will be included in all coupons.
- 5) For display purposes, when necessary, the second digit after the decimal point of the odds is shown as rounded up in the Customer's bet history to the nearest decimal number. The payout will however be effected based on the actual odds multiplied by the stake, disregarding the aforementioned rounding.

5. Result Settlement

- 1) When settling results the Licensee will do its utmost to attain itself to information obtained first hand (during or exactly after the event has been concluded), through TV transmissions, streaming (web-based and through other sources) as well as official sites. Should this information be omitted from first hand viewing and/or official sources and/or there is an obvious

Error in the information included in the sources above, the settlement of the bet offer will be based on other public sources. Nevertheless, unless a clear and verifiable Error is noted in the first official result, settlement of bets will not include any changes deriving from and/or attributable to, but not limited to: disqualifications, penalizations, protests, sub-judice results and/or successive changes to the official result after the event has been completed and a result has been announced, even preliminarily.

- 2) a. Settlement of markets held over more than one round/stage (E.g.: Season Bets), will only consider amendments effecting bets which settlement has not been decided yet. Such measures must be announced by the governing association before the last scheduled round/stage will be considered. Any changes effected after this date, or else referring to bets which have already been settled based on events happening during the event/competition will not be considered.
- b. Unless otherwise specified within the offer, implied by the official competition rules or announced beforehand as being the official format for that particular event, any changes from the default sport/event/competition format that result in the Licensee's offering odds/lines/totals which are incongruent with the revised playing format, will result in the voiding of the bets effected by the format change.
- c. Offers where the format change does not preclude the organizing association from declaring a winner (ex. Season winner), irrespective whether there will be a continuation of play or not, revised length of season/competition, etc, will be settled according to the result issued by the governing association granted that said result is issued as per the timeframes listed below and is congruent to the odds/lines/totals available at time of offer publishing.
- d. The following settlement provisions apply in such cases:
- (i) Should the governing association declare a relevant outcome within 3 months from the last match played before the interruption (be it final classification, cancellation or intentions to resume play), markets will be determined accordingly;
 - (ii) In case no applicable official communication/result is issued within 3 months from the last match played before the interruption, markets will be settled in accordance with the last classification/rankings available, regardless of number of matches played/current stage/phase of the competition;
 - (iii) Markets which refer to whether a team/participant will reach a subsequent phase of the competition (example: Play-Offs) will be settled as void should there be any changes to the format/number of participants scheduled to contest that particular phase or that particular phase is not played at all, unless an outcome based on the market connotations at time of bet publishing has already been determined and the change in number of applicable matches bears no influence the outcome of the offer;
 - (iv) Markets which odds are dependent/based on a full schedule of matches being played (example: Over/Under Wins in the Regular Season/Points in the League), will be declared void should the number of matches played end up being different than originally scheduled at the time of bet publishing, unless an outcome has already been determined and the change in number of applicable matches bears no influence the outcome of the offer.
- 3) Occurrences which have not been sanctioned and/or acknowledged by the match/event officials (e.g. disallowed goals) will not be taken into account towards the settlement of the bet. As a general rule, and unless the offer specifies otherwise, the Licensee will settle offers based on the exact time that the flow of play was interrupted/resumed (as applicable) by the occurrence in question (e.g. ball went out of play for a throw-in/goal kick or crosses the line for a goal), or play is interrupted by the referee, whichever is earliest. Bets referring to the accumulation of a particular

occurrence (e.g. Total corners) and/or the execution of a particular action, will require said occurrence to actually take place during the time interval specified (e.g. the corner being kicked). In such instances, should the occurrence be only awarded and not taken, it will not be considered for settlement purposes.

- 4) All bet offers related to matches/events which do not take place at all or are awarded a result through a walk-over decision will be declared void.
- 5) In case of an abandoned event, all bet offers that have been decided prior to the abandonment and could not possibly be changed regardless of future events, will be settled according to the decided outcome. Should the abandoned event not resume within 12 hours of its start time, all pending offers related to the event will be settled as void.
- 6) In case an event is abandoned and is scheduled to restart from the beginning, all bets placed before the initial game which could not be settled through the outcomes deriving from the play prior to abandonment, will be declared void regardless of whether or when the game is continued
- 7) Unless otherwise stated either in the Sport-Specific rules or in conjunction with the bet offer, specific events forming part of tournaments/competitions which are not held, get postponed and/or rescheduled for a time/date longer than 12 hours from the last scheduled time issued by the governing association due to bad weather, crowd trouble or similar scenarios will be declared void with the following exceptions where bets will remain valid:
 - a. Events which starting times have not been officially confirmed yet by the governing association at time of bet placement;
 - b. Events which are moved due to scheduling conflicts/tv broadcasts but remain scheduled to be played within the same matchday/game week/round (as applicable) and the change does not change the order of official fixtures for any of the participants in the offer;
 - c. Events which start times are anticipated (brought forward) but remain scheduled to be played within the same matchday/game week/round (as applicable) and, without prejudice to past-posting and similar occurrences as defined in <Section A, Para 5.6>, the change does not modify the order of official fixtures for any of the participants in the offer.

For the avoidance of doubt the definition of same matchday/game week/round is to be interpreted as the order of fixtures as dictated by the governing association with each specific match representing a matchday/game week/round. Should this order not be upheld and the sequence of fixtures changes in a way that matches against other teams get scheduled in between so much that the listed fixture ceases to be the next official commitment from that particular tournament/league/competition for all teams involved, that will be considered as not part of the same matchday/game week/round and offers will be declared void. The above does not apply to Season bets which will remain valid granted that the tournament/league/competition is held and decided during the season/year it refers to, regardless of any eventual date changes. In cases of Play-offs series or other series of matches which are scheduled to confront 2 teams over 2 or more matches, any re-scheduling of a single match will be considered as being part of the same matchday regardless of the length of the re-scheduling, granted that the order of home and away fixtures in the series is not modified and the listed fixture takes place within the series. Otherwise bets will be declared void.

- 8) In cases of events which have not been completed before their natural conclusion, and a result is issued through a decision by the association not more than 12 hours from the event's start, the Licensee will use the issued decision as the official result for offers related to the event's outcome, such as Moneyline, Game, Match, Draw No Bet and Double Chance granted that the

issued decision does not change the outcome of the said bet offers at the time of the abandonment. In that case the stakes will be refunded. All offers referring to the tallying of particular occurrences (example: Total Goals, Handicaps, etc) will be declared void except for those the outcomes of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.

- 9) All bet offers related to uncompleted matches/events where the official governing body is not previously acknowledged (e.g. Club Friendlies) will be declared as void unless at least 90% of the stipulated Regular/Full time is played, see in <Section B, Para 1.1>. Should the match/event be abandoned after 90% has been completed, the settlement will be based on the current score at the time when the match/event was stopped.
- 10) Settlement of bet offers, such as, but not limited to, shots, shots on target, ball possession, assists, rebounds, etc. will be based according to the definition with which the official governing body issues said statistics. Unless backed by un-contradictory evidence, the Licensee will not acknowledge any complaints which derive from a personal interpretation of such terms.
- 11) When placing Futures ("Outright" or "Place" bets, no stakes will be refunded on participants/outcomes that are not participating or withdrawing from an event (both prior and during), unless otherwise stated. The Licensee reserves the right, at its own discretion, to apply Tattersalls Rule 4, as explained in <Section B, Para 6>, on any competition and this will be stated in correlation to the bet offer and/or the relevant Sport-specific rule.
- 12) No refunds of bets will apply, even if the winning outcome of a match/event is a participant/outcome that has not been listed for betting purposes. On all bet offers the Customer has the possibility to ask for a price on a non-listed participant/outcome. The Licensee reserves the right, at its own discretion, to decline such requests.
- 13) In case a participant is disqualified/withheld/banned from taking part in a subsequent part/phase of an event/competition, the disqualification will be considered to have taken place at the time of the participant's removal from the event. No alterations will be made to previous results, regardless of any modifications due to said actions. Bets placed after the disqualified participant last took part in the event will be declared void.
- 14) If two or more Participants share the applicable finishing positions and no odds have been offered for a drawn outcome, the payout will be calculated by dividing the odds by the number of participants sharing those certain positions and are settled accordingly. The payout will always be at least equal to the stake, except in cases of "Head to Heads", see <Section B, Para 2.5> and <Section B, Para 5.19>.
- 15) In "Group Betting" (aka "Best of X"), all listed participants must start the event for bets to stand.
- 16) In "Group Betting" (aka "Best of X"), at least one participant from the selection list must successfully complete the event for bets to stand. Should that not be the case, and the governing association does not follow specific tie-breaking criteria, the bets will be declared void.
- 17) In a "Head to Head" between two or three participants, all listed participants must start the particular round/event which the bet refers to, for bets to be considered valid.

- 18) In a "Head to Head" between two participants, all bets will be refunded if both participants share the same position/score or are eliminated at the same stage of the competition, unless the governing association follows specific tie-breaking procedures, in which case, these will be deemed valid.
- 19) In a "Head to Head" between three participants and more than one winning outcome, the odds will be divided by the outcomes sharing the winning position, irrespective whether the net outcome is lower than the Customer's stake.
- 20) If a "Head to Head" is offered between different rounds/stages, all participants must take part in the upcoming round/stage for bets to be valid. Should any participant listed in the offer not take any subsequent part, bets placed from after the last time the participant was active in the event will be declared void.
- 21) Unless specifically stated, whenever the organizing association deems it fit to include any necessary rounds, matches, or series of matches (e.g. Play-offs, Play-outs, Postseason) following the end of the so-called Regular Season in order to determine the classification, league winners, promotion/relegation, etc., the Licensee will take into account the results and outcomes deriving from these matches for settlement purposes of bets referring to the final league classification, promotion, relegation, etc. For example, seasonal bets on the team winning the NHL will refer to the Stanley Cup Winners.
- 22) Offers which confront against each other the performances of two or more individuals/teams over a stipulated timeframe/competition will only be settled based on the result of the listed participants, disregarding all other participants in the same competition/event.
- 23) Unless specifically stated, all offers referring to a single player's performance in a specific domestic league (such as Total Goals Scored by Player X in League Y) or "Head to Head" bet offers involving two players' performances in domestic leagues, will not take into account those events happening during eventual Play-offs/Play-outs/Post-season or any other matches, or series of, which would happen after the so-called Regular Season.
- 24) Offers related to a total amount of occurrences/events scored/tallied by a particular team, either in a single team performance in a specific domestic league (such as Total Goals Scored by Team X), or "Head to Head" bet offers involving two teams' performances in domestic leagues or a cumulative league performance will not take into account those events happening during eventual Play-offs/Play-outs/Post-season or any other matches, or series of, which would happen after the so-called Regular Season, unless otherwise specified.
- 25) In a single player performance bet offer in a specific domestic league (such as Total Goals Scored by Player X in League Y) or "Head to Head" bet offers involving two players' performances in domestic leagues, unless an outcome has already been achieved, stakes will be refunded should any of the following occurrences happen to any relevant participant: (i) is not part of the matchday squad for the club/team they are eligible for at time of bet placement in 50% or more of the remaining applicable matches for any reason, (ii) does not take part in at least another match after the bet has been placed, (iii) totals the same amount as the other player,

unless a draw/tie option has been offered. Other sports-specific conditions may apply, please refer to the Sport-specific section.

- 26) In a single player performance bet offer in a specific event (such as Total Goals Scored by Player X in International Tournament) or "Head to Head" bet offers involving two players' performances in specific events, should any of the following occurrences happen to either of the participants in the selection list, the bets will be considered void: (i) does not take part at all in the event (ii) does not take part in at least another match after the bet has been placed, (iii) totals the same amount as the other participant, unless a draw/tie option has been offered.
- 27) During specific events [the Licensee] might decide to offer for betting a reduced selection of participants and might also include betting options such as "any other", "the field", or similar. This option includes all unlisted participants except for the ones mentioned specifically as available in the betting market. All named participants are excluded.
- 28) Offers that make specific reference to a participant's/participants' performance in a particular event (e.g. Player X vs The Field) are to be considered void if the mentioned participant(s) do(es) not take part in the competition.
- 29) Any form of a qualification ahead of the main event is considered to be a valid part of that competition. Thus any participant who is eliminated at qualification stage will be considered losing to anyone that is pre-qualified or is successful in the qualification part.
- 30) Bet offers which originally require participant(s) to compete in two or more stages/legs to advance into a subsequent phase/round of a competition, will remain valid regardless of any postponement/movement of the actual match dates, given that said match(es) actually takes place within the frame of the competition.
- 31) A bet on a "To Qualify" market originally requiring just one stage/leg to advance to a subsequent phase/round of a competition (including any eventual prolongations/additional matches, e.g. replays) will be declared void if said match is not decided within more than 12 hours of its supposed start time.
- 32) Should an event be moved from its originally announced venue and/or have its playing surface changed, this will not be treated as a cause for the offers to be voided unless (i) the Sport-specific rules dictate such, and/or the new location in which the event takes place is the habitual "home" pitch of either participant involved in the game, except as dictated below. As a general principle, [the Licensee] will refer to the Home team (host) and the Away team (visitor) in accordance with the definition issued by the governing association for that particular game/competition. Bets on games played on so-called "Neutral pitches" will remain valid regardless of whether such information has been detailed in the bet offer and/or the positioning of the teams on the betting board/display. In those cases where there is a discrepancy between the positioning of the teams/participants on the official website and their placement on the betting board/display, and such discrepancy causes a significant effect on the odds of the game/competition the Licensee will void the affected bets. Such eventuality is contemplated only in cases where the discrepancy has a material and visible effect on the odds. For example, in cases of swapped Home and Away teams in an Ice Hockey game the Licensee will void the bets. Nevertheless [the Licensee] will consider valid bets placed on events where the so-called home-field advantage is not considered

and in cases of neutral venues. Examples of such cases include but are not limited to tennis tournaments, MMA fights, singles competitions in general, or specific events such as the final/late stages of team competitions being held in pre-established venues, like the Super Bowl, the NCAA Final Four or the Italian Soccer Cup Final even if the location can be deemed as a potential customary "home" pitch for either of the teams involved. In such cases, said events will be considered as being played in neutral venues and all bets stand regardless of the positioning of the teams/participants on the official website and their placement on the betting board/display.

- 33) Information referring to gender of the teams or age groups, as well as various definitions of reserve teams (e.g. B and C teams), is treated as supplementary information. The inclusion (or lack of) and correctness of such information will not be treated as sufficient cause for the voiding of the offers related to the match/event, given that this does not cause an obvious inconsistency in odds offered.
- 34) While all necessary precautions are taken by the Licensee to assure the most faithful rendition of all components involved in a bet offer, it is to be assumed that certain denominations could be represented differently due to different interpretations deriving from adaptations into another language. Such linguistic incongruence will not be treated as sufficient cause for the voiding of the offers related to the match/event, given that it does not create uncertainty with other participants. The same applies for denominations referring to events, team names, sponsor names, etc.
- 35) In case of bets where there is reference to timeframes, they should be interpreted in the following way: "within the first 30 minutes" will include anything happening until 0 hours 29 minutes and 59 seconds; "between 10 to 20 minutes" will include anything happening from 10 minutes and 0 seconds until 19 minutes and 59 seconds.
- 36) Unless listed either in conjunction with the bet offer, or else in the Sport Specific rules, bets referring to event/match duration which include non-full integer digits (E.g. 88.5 minutes or X.5 rounds) require the full completion of the full integer of the listed duration for them to be considered won. For example: a bet on Over/Under 88.5 minutes in a Tennis match will be settled as Over only if at least 89 full minutes are completed.
- 37) Any reference to goals scored by specific players will not count if they are defined as 'own goals' (scored in their own goals) unless otherwise stated.
- 38) Any reference to confederation, nationality or similar will be subject to the definition by the governing association.
- 39) Any medals won by a team/nation per competition will count as one (1) single medal regardless of the number of team members.
- 40) Offers referring to individual player performances' over a particular period/tournament (example: Total Goals Scored by Player X during the World Cup) or confronting performances from 2 individual players during the course of the season (example: Which of Player X or Player Y will score most goals during the season), require all listed individuals to be an active participant in at

least one more fixture applicable for the offer after bet acceptance for bets to stand. Bets placed after announcements of injuries, transfers, trades, etc or any news which can even potentially reduce the number of fixtures any listed player is eligible for within the competition; thus altering the odds even just theoretically in favour of any particular outcome without said odds having been adjusted to reflect the current state of the bet, will be declared void.

- 41) Offers on whether certain individuals will be occupying a specified position/title/job on a certain date (E.g. Minister X to still be Minister on date Y, Player/Coach to still be with Team Y on Date Z) refer to the individual in question to hold (or alternatively to be appointed in) the listed position uninterrupted between the time the bet is placed and the specified deadline. Should the individual for any reason whatsoever leave the position before the specified deadline, the outcome of the bet will be considered as not having happened. This is valid even in cases where the individual is re-appointed/signed again in that same position/title/job and even if on the specified deadline the individual is occupying once more that same position/title/job to which the bet refers to. Settlements will also take into account players signed on loan deals.
- 42) Any bets referring to “breaking” of records require the listed occurrence to be fully accomplished. Equalling the record will not be considered as having fully accomplished the feat. Only the listed occurrence will count for settlement purposes.

6. Tattersalls Rule 4

- 1) In the event of one non-runner or one non-Participant, the odds on the remaining runners or remaining Participants are reduced in accordance with the so-called Tattersalls Rule 4.

- 2) In the event of two or more non-Participants, the total reduction shall not exceed 75%. The deduction in this case will be based on the aggregate odds of the withdrawn participants.

EXAMPLE: For example, if a Customer is selecting the best finishing score from a group of six golfers, should one participant at odds 2.50 be withdrawn, all other odds would be reduced by 40%.

C. Sport Specific Rules

1. Olympic and Championship events

- 1) All conditions stated in this section have priority to any other rule or condition.
- 2) All bets are valid provided that the event is held and decided during the championship and the year it refers to, regardless of any venue change.

 - a) the bet refers to events scheduled for the final phase of events forming part of Olympic, World and Continental competitions;
 - b) the final phase of the event is time restricted.

2. American Football

- 1) Unless otherwise stated, all bets on American Football are determined on the basis of the result after the so called extra (over) time.
- 2) All offers will be declared void unless 55 minutes of play have been completed except for those the outcome of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.
- 3) "Head to Head" and "Over/Under" bets involving one or more players' performance in the match/event/tournament are considered valid given that all listed players take part in the match/event/tournament at some stage for bets to stand.
- 4) Unless specifically stated or implied in the offer characteristics, settlement of Season bets will be based as per the classifications, definitions and tie-breaking rules as per NFL.com, or the official website of the competition (as applicable).
- 5) Unless otherwise specified, a typical NFL week/round schedule is considered as running from Thursday to the following Wednesday, as per local stadium time. Any events/offers not completed within the aforementioned timeframe will be settled as void, except for those offers the outcomes of which has already been decided and could not possibly be changed regardless of future events, which will be settled according to the decided outcome. Bets referring to events which have been

rescheduled within the same week/round will remain valid as much as said events are played within timeframe above.

- 6) Matchday/Weekly props is where it is possible to bet on the performances and outcomes of a pre-defined selection of teams and/or individual players' occurrences happening in a collection of matches/events on a specified week/round/day/match day (example: Total Points Scored in matches from a specific Conference, Highest/Lowest Scoring team, Player Yardage markets etc.). All applicable matches/events (including any rescheduling to be played within the aforementioned timeframe), must be completed and validated for the specified week/round/day/matchday for bets to stand except for those the outcomes of which has been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome. In addition, offers referring to the performance of specified players require that all the specified players are active participants at any point of the applicable match for bets to stand.
- 7) All offers referring to player performances remain valid regardless of eventual player trades during any point in the season.
- 8) Offers referring to individual player performances' in a single match (example: Total Passing Yards Thrown by Player X) or confronting performances from 2 individual players during the course of a match (example: Which of Player X or Player Y will throw most Passing Yards), require all listed individuals to be an active participant in the applicable match for bets to stand.
- 9) Offers referring to individual player performances' over a particular period (example: Total Passing Yards Thrown by Player X during the Regular Season) or confronting performances from 2 individual players during the course of the season (example: Which of Player X or Player Y will throw most Passing Yards during the Regular Season), require all listed individuals to be an active participant in at least one more match applicable for the offer after bet acceptance for bets to stand.
- 10) Bets on Double Result (ie. predicting the outcome at Half Time combined with the result at the end of the 4th Quarter) will not take into account any outcomes deriving from Overtime.
- 11) First/Next Offensive Play markets are settled based on the first/next offensive play from scrimmage (as applicable), excluding Penalties. Should a kick-off be returned for a touchdown, bets will be settled with the outcome of the following kick-off. For settlement purposes, incomplete/intercepted passes, Quarter Back sacks or fumbles will be considered as "Pass Play". Fumbles on exchanges to the Running Back will be considered as "Run Play".
- 12) Settlement on offers referring to "Offensive Yards" will be based on the net number of yards including any sack yardage lost.
- 13) Offers referring to any team scoring a specified successive number of times unanswered will consider scorings tallied during eventual Overtime but excludes any PATs (points after Touchdowns or 2 point conversions).
- 14) Wagering on penalties is strictly prohibited and no settlement on any penalty offer will be allowed.
- 15) Bets referring to the outcome of a particular drive will be settled as void in case of an incomplete drive. In cases where Team A has the ball and fumbles with the ball being recovered by Team B who successively fumbles it back to Team A, the outcome will be settled as a "Turnover". Turnover on Downs (failed 4th Down attempt), will also be considered as a "Turnover". Should it happen that a punt is fumbled by the receiving team and recovered by the kicking team, bets will be settled as "Punt".
- 16) Offers on whether a 1st Down will be made during the current drive will be settled as "YES" should a new set of "Downs" be achieved either by Run, Pass (including cases where a Touchdown is scored as a result). "Safety" or "Field Goal" (irrespective whether the Field Goal being scored or not), will settle the offer as "NO".
- 17) Settlement on which team will gain most Passing/Rushing yards will be based on the gross number of yards thrown/run, including any negative yarding for rushing.

- 18) The NFL Draft will be determined by permissions provided by the Board and official results as provided by the governing body.

3. Athletics

- 1) Unless otherwise stated, all bets on Athletics are determined on the basis of the result after the final stage of that competition. If neither of the listed participants takes part in the final stage, all bets will be void, unless the governing association follows specific tie-breaking procedures, in which case, these will be deemed valid.
- 2) All bet offers will be settled based on the first official result being presented. However, the Operator will take into account and settle/re-settle accordingly, following any changes to the official result issued within 24 hours after the event has taken place. For such eventuality to be considered, the protest must be attributable to incidents happening exclusively during the event, such as a line infringement, pushes or a false handover in a relay race, etc. No doping cases will be considered. The result available at the end of the aforementioned 24 hours will be deemed as binding regardless of any further protests, changes to the official result, etc.
- 3) If two or more participants take part in different heats during a competition, all Head-To-Head-offers between them will be considered void, unless there is a later stage in the competition that at least one of them qualifies for.
- 4) A participant that is disqualified due to infringement of the start procedure (false start) will be deemed as having taken part in the event.

4. Australian Rules Football

- 1) Unless explicitly stated, should a match or else a specified period (ex. 1st Half, 3rd Quarter, etc.) end in a draw, all bets will be settled according to the so-called "dead-heat" rule. In such case the payout would be calculated after the odds are divided and then multiplied by the stake, irrespective of whether the net payout is lower than the Customer's stake.
- 2) Unless otherwise stated, all bets referring to matches will be settled on with the result at the end of 4th Quarter (normal time).
- 3) All bets referring to player performance, as well as "Head to Head" and "Over/Under" bets involving one or more players' performances in a single match/event are considered valid given that the specified players play from the start of the match.
- 4) First Goal Scorer in the match/1st Quarter - Stakes will be refunded on players who are not in the starting 21. Bets on First Goal Scorer in the match do not require the goal to be scored in the 1st Quarter. Should no goal be scored in the listed period all bets will be settled as void.
- 5) First Goal Scorer in the 2nd, 3rd or 4th Quarter - All bets stand irrespective of the player's participation (or lack thereof) in the listed Quarter and the match. Should no goal be scored in the listed quarter all bets will be settled as void.
- 6) "Wire-to-Wire" betting refers to which team (if any) is leading the match at the end of each quarter.
- 7) Should any replay/extra matches be required to determine any position in the classification, league winners, etc., the outcomes deriving from these replays/extra matches will be used for the settlement of the respective bet offer.
- 8) For match betting on a Grand Final, the betting is specific to the upcoming match to be played, or the current match, in the case of live betting. Bets will not carry over to any replay and a new market will be added for any subsequent matches.
- 9) When settling offers which relate to the performances of two or more individuals/teams over a stipulated timeframe/competition, stages of elimination within the "Finals" will count for the

settlement. Should two teams be eliminated at the same stage, the team that finished highest on the AFL ladder

at the conclusion of the Regular Season will be considered as having achieved a better position.

10) All bets stand, regardless of change of venue.

5. Baseball

- 1) Unless otherwise stated, bets on Baseball are determined on the basis of the result after any eventual extra innings, and regardless of the amount of innings played, as declared by the respective organizing association.
- 2) A bet is declared void on a cancelled or postponed match which has not started, or in the case of a result not having been issued within twelve hours of the scheduled start time.
- 3) Moneyline ("Match" or "Game") bets require the minimum amount of innings played, as per the rules of the respective governing association for bets to stand and will be settled as void in case of a draw after the eventual extra innings. All other offers which could reasonably be settled (e.g. "Over/Under", "Handicap" and "Odd/Even") will be settled according to the result after the extra innings.
- 4) Runline ("Spread" or "Handicap"), "Over/Under" and "Odd/Even" bets require all scheduled innings to be completed, or at least ½ inning less than the number of scheduled innings if the home team is in advantage, for bets to stand. This applies to all offers except those the outcome of which has been decided prior to the abandonment and could not possibly be changed regardless of future events. These will be settled according to the decided outcome.
- 5) The name of the so-called starting pitcher has no relevance on how offers are settled.
- 6) For settlement purposes "First Half" bets are deemed to be referring to the outcomes deriving from the first 5 innings. All 5 innings must be completed for bets to stand except for those offers the outcome of which has been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome. For games played under a scheduled, shortened format, the first half innings will be shortened accordingly, for example "first half" bets in a 7 innings game refer to outcomes deriving from the first 4 innings.
- 7) Live Betting offers referring to individual player performances' in a single match (example: Total Hits by Player X) or confronting performances from 2 individual players during the course of a match (example: Which of Player X or Player Y will have most Hits), require all listed individuals to participate in at least one more play in the match, after bet acceptance for bets to stand. All Pre-Match markets involving hitters, require for the player to be listed as in the starting line-up, and to have at least one plate appearance. Those involving pitchers, require the Player to throw at least one pitch, for bets to stand. Offers referring to one or more players' performance in a given match, require that all listed players are included in the starting lineup, for bets to stand.
- 8) Unless specifically stated or implied in the offer characteristics, settlement of Season bets and Tournament or Playoff Totals will be based as per the classifications, definitions and tie-breaking

rules as per MLB.com, or the official website of the competition (as applicable). Unless otherwise stated, cumulative amounts of such bets will include eventual prolongations (e.g. Extra Innings).

- 9) Offers referring to individual player performances¹ (example: Total Runs Scored by Player X during the Playoffs) or confronting performances from 2 individual players over a particular period/tournament/season (example: Which of Player X or Player Y will record most hits during the Regular Season), require that all listed individuals must be an active participant in at least one more fixture applicable for the offer after bet acceptance for bets to stand. Bets placed after any news which can even potentially reduce the number of fixtures any listed player is eligible for within the competition (example: injury/transfer/trade news); thus altering the odds even just theoretically in favour of any particular outcome without said odds having been adjusted to reflect the current state of the bet, will be declared void.
- 10) Season bets, regardless whether these include outcomes obtained during Playoffs or otherwise, as well as offers referring to particular teams or player performances will remain valid irrespective of eventual player trades, team movements, name changes, season length or playoff format changes during any point in the season.
- 11) Bets on the outcome of a particular period (example Inning X) or occurrences achieved during a time-limited period require the specified period to be completed with the exception of those offers the outcome of which is already determined before any interruption and/or any further continuance of play could not possibly produce a different outcome to said offers which will be settled accordingly. For settlement purposes, any Inning (including eventual extra innings) which does not require the Home Team to bat further, or at all, is considered to have been naturally concluded and all bets referring to the inning (example: Result of Inning X, Handicap (Spread) of Inning X, Over/Under (Total) Runs or Hits in Inning X) stand with the exception of those which specifically refer to the single performance of the Home team within the specified inning (example: Over/Under (Total) Runs scored by the Home Team in Inning X) which will be settled as void should the Home Team not bat at all during the specified Inning.
- 12) During certain events the Operator might decide to offer markets related to the outcome of a series of consecutive Regular Season matches playing between the listed teams during the specified timeframes. Settlement will include outcomes deriving from any doubleheaders as much as these are played within the specified timeframe. In cases where no drawn (tie) outcome has been made available for betting, bets will be settled as void should both of the listed teams win the same number of matches. All scheduled matches must be completed as per the rules of the organizing association for bets to stand except for those the outcomes of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.
- 13) Offers which confront or tally outcome and occurrences obtained/achieved by teams or players taking part in different matches not confronting each other (example: Team to score most runs in their respective match), require that all applicable matches are completed as per the rules of the organizing association for bets to stand except for those the outcomes of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome. In cases where no drawn (tie)

outcome has been made available for betting, bets will be settled as void should both of the listed teams/participants obtain/achieve the same amount.

6. Basketball

- 1) A bet on Basketball is determined on the basis of the Result after the so-called extra (over) time, unless otherwise stated.
- 2) Bets referring to the match outcome (aka "Moneyline") from ties which are decided over two or more match-ups will have the "Including Overtime" offer voided in case the match ends in a draw and no further play is done in that particular match.
- 3) In multiple legged ties, all points collected during any overtime period will count for the final settlement of that particular match.
- 4) "Head to Head" and "Over/Under" bets involving one or more players' performance in the match/event/tournament are considered valid given that all listed players take part in the match/event/tournament at some stage for bets to stand.
- 5) All bets referring to aggregated Tournament Totals (such as Points, Rebounds, Assists, etc.) will be settled based on official statistics by the governing association. Unless otherwise stated, cumulative amounts of such bets will include eventual prolongations (e.g. Over Time).
- 6) Unless specifically stated or implied in the offer characteristics, settlement of Season bets will be based as per the classifications, definitions and tie-breaking rules as per NBA.com, or the official website of the competition (as applicable).
- 7) All offers referring to player performances remain valid regardless of eventual player trades during any point in the season.
- 8) Offers referring to individual player performances' in a single match (example: Total Points Scored by Player X) or confronting performances from 2 individual players during the course of a match (example: Which of Player X or Player Y will score most Points), require all listed individuals to be an active participant in the applicable match for bets to stand.
- 9) Offers referring to individual player performances' over a particular period (example: Total Points Scored by Player X during the Regular Season) or confronting performances from 2 individual players during the course of the season (example: Which of Player X or Player Y will score most Points during the Regular Season), require all listed individuals to be an active participant in at least one more match applicable for the offer after bet acceptance for bets to stand.
- 10) Bets on Double Result (ie. predicting the outcome at Half Time combined with the result at the end of the 4th Quarter) will not take into account any outcomes deriving from Overtime.

7. Beach Volleyball

- 1) All bets will remain valid as far as the match/offer is played within the tournament framework regardless of any changes in schedule, conditions, etc., unless other arrangements have been agreed.
- 2) "Match" bet offers are based on the general principle of tournament progress or tournament win, depending on which phase of the competition the match refers to. The team progressing to the next round or winning the tournament is to be considered the winner of the bet regardless of match duration, withdrawals, disqualifications, etc. These bets require at least one set to be completed for bets to stand.
- 3) "Over/Under" offers on unfinished matches/events the outcome of which is already determined before the interruption and/or any further continuance of play could not possibly produce a different outcome to said offers, will be settled based on the result achieved until the interruption. For the

calculation of these settlements, the minimum amount of occurrences which should have been needed to bring the offer to the natural conclusion will be added as necessary depending on the number of sets which the match is scheduled for. Should this calculation produce a situation where no possible alterations could affect the outcome of the offer, this will be settled as such. See examples from the Tennis section for reference.

- 4) "Handicap" offers require all scheduled sets to be completed for bets to stand except in those events the outcome of which is already determined before the interruption and/or any further continuance of play could not possibly produce a different outcome to said offers which will be settled accordingly. See examples from the Tennis section for reference.
- 5) All "Correct Score", "Odd/Even" and those offers which refer to the winner of a particular period in the match (example "E.g. Team to win the first set") require the relevant part of the match to be completed.

8. Boxing & MMA

- 1) All offers will be settled according to the official result of the relevant governing body immediately as declared by the ring announcer at the end of the fight.
- 2) For settlement purposes, in case the match is interrupted for any reason in between rounds, e.g. retirement before the start of a round, disqualification, failure to answer the bell, the fight will be deemed to have finished at the end of the previous round.
- 3) Offers on fights declared as a "No Contest" or "Technical draw" will be settled as void, except for those offers the outcome of which has been decided prior to the decision and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.
- 4) If for any reason, the number of rounds in a fight is changed, offers which make specific reference to rounds, such as "Round betting", "Group of Rounds", "Over/Under", "Method of Victory" and "To go the distance" will be declared void.
- 5) For settlement purposes, betting on rounds or groups of rounds refers to a fighter to win by KO (Knockout), TKO (Technical Knockout), or disqualification during that round or group of rounds. If for any reason, a points decision is awarded before the full number of scheduled rounds is completed, or a boxer is disqualified, bets will be settled on the round in which the fight was stopped. Bets which nominate 'to win on points' will only be deemed winners if the full number of rounds is completed.
- 6) For a match to be declared as having been decided by "points", (e.g. the different definition of "decision"), all scheduled rounds must be completed. All other decisions (e.g. KO, TKO, withdrawal, submission, disqualification, failure to answer the bell, clash of heads, low blow, etc.) will be settled as if the boxer has won the fight without the need of a decision, aka "before the bell".
- 7) Bets referring to round/fight duration represents the actual time passed in the round/fight, as applicable, depending on the scheduled round/fight duration. For example a bet on Over 4.5 Total Rounds in a Boxing fight will be settled as Over once a minute and a half in the 5th Round has passed.

9. Cricket

a. General Cricket Rules

- 1) In cases where no odds have been offered for a tie and the match/offer ends in a tie, bets would be settled according to the so-called "dead-heat" rule where the payout would be calculated after

the odds are divided and multiplied by the stake, irrespective whether the net payout is lower than the Customer's stake. Should such provision be in place, it would be listed in conjunction with the bet offer. In competitions where other means are used to determine a winner after a tie ('Bowl out' or 'Super over') then offers will be settled based on the result after such prolongations are completed.

- 2) "Highest Opening Partnership" requires that both sides complete their opening partnerships with the exception of those situations where an outcome has already been determined.
- 3) "Batting" Head to Heads require that both players be at the batting crease while a ball is bowled, though not necessarily facing a ball. In case either batsman's innings are not completed bets will be voided with the exception of those situations where an outcome has already been determined.
- 4) "Bowling" Head to Heads require that both players bowl at least 1 ball for bets to stand.
- 5) Total "Batsman Runs" (Over/Under) require the innings to be completed. In cases where a batsman's innings is ended by weather or bad light, all bets where a result has not been determined will be declared void. A result is deemed to have been determined if a Batsman has passed the Run total at which the bet was accepted, has been dismissed or an innings is declared. For example, if a Batsman's score stands at 50 'Not-Out' when a game or innings is terminated due to bad light or rain, all bets on 50.5 Runs will be voided. However, all bets on "Over 49.5 Runs" will be considered as winning while bets on "Under 49.5 Runs" will be settled as losing. Should a batsman retire due to injury, his score at the end of his team's innings will be considered as the result for that bet.
- 6) In "Fall of Next Wicket" betting should either batsman retire due to injury before a result has been determined all bets will be declared void. A result is deemed to have been determined if the Innings total has passed the Run total at which the bet was accepted. If a team declares or reaches their target, the total achieved by the batting team will be the result of the market. If a partnership is disrupted due to weather all bets will stand, unless there is no further play in the match. In such case all bets where a result has not been determined will be declared void.
- 7) For "Next Over" betting (Over/Under & Odd/Even), extras are included for settlement purposes. Bets will be void if the Over is not completed unless a result has already been determined. Market refers only to the listed Over (e.g. "5th Over" refers to Over number 5, i.e. the Over directly following Over Number 4).
- 8) In "Race to X Runs" both players must open the batting for bets to stand.
- 9) For "First Over" Runs the Over must be completed for bets to stand, unless the maximum range offered has already been achieved. Any Extras count for settlement purposes.
- 10) For "First Scoring Play" betting, should Runs be scored from a "No ball", extras will be deemed as the winner.
- 11) In "Wicket 1st Over" betting the Over must be completed for bets to stand, unless a wicket has already fallen.
- 12) In "Next Man Out" betting bets will be settled as void if either player retires due to injury before the wicket falls or there is no further wickets. Both named Batsmen must be batting at the fall of the nominated wicket for bets to stand.
- 13) For "Method of Dismissal" betting bets will be void if either player retires due to injury before the wicket falls or there is no further wickets. 'Any Other' includes hit wicket, handled ball, obstructing the field, timed out or hit the ball twice.
- 14) For Odd/Even betting a ball must be bowled for bets to stand.
- 15) "Top Batsman" and "Top Bowler" bets placed on any player not in the starting 11 will be declared void. Bets on players who are selected but do not bat or field will be settled as losers.
- 16) Settlement of betting on "Wides" will be based on the "Runs" scored from "Wides" and not the number of "Wides" bowled.

- b. Limited Overs (including One-Day Internationals, Twenty20s & Domestic One- Day cricket)
- 1) Should a match be transferred to a 'reserve' day, all bets will remain valid.
 - 2) Head to Head betting pays on official result. In the event of a tie, dead heat rules as explained in Clause 1 of the General Cricket Rules might apply unless a subsequent tiebreaker method is used to determine the winner (e.g. super over, bowl-off), in which case the outcome will be settled on the result of this method. Should the match be declared a 'no-result' all bets will be settled as void. Any other betting on the match (example High Bats, Most Sixes, Batting & Bowling Head to Heads etc.) will not include any outcomes deriving after the dispute of the tiebreaker.
 - 3) "Top Batsman/Bowler" requires a minimum of 20 overs to be bowled per innings of a One Day Match, unless a team is All-Out or the match is completed, or a minimum of 5 overs to be bowled per innings of a Twenty 20 match, unless a team is All-Out or the match is completed.
 - 4) For "Total Team Runs" betting, all bets will be declared as void should the number of Overs be reduced due to weather, or any other reason, from the standard scheduled number of Overs in a Twenty 20 match or any other limited Overs match. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.
 - 5) For "Highest 1st 6/15 Overs" bets will be void if both teams do not face the full amount of overs unless target has been reached or the team has been bowled out. In the event of a tie dead heat rules as explained in Clause 1 of the General Cricket Rules might apply.
 - 6) For "Most Fours/Sixes/Wides/Run-outs" betting, should the intervention of rain (or any other delay) result in the number of Overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets will be declared void granted that the reduction per Innings is of 3 or more Overs in a Twenty 20 match, and of 5 or more in other limited Overs matches. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.
 - 7) For "Total Fours/Sixes/Wides/Run-outs" betting, should the intervention of rain (or any other delay) result in the number of Overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets will be declared void granted that the reduction per Innings is of 3 or more Overs in a Twenty 20 match, and of 5 or more in other limited Overs matches. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.
 - 8) For "Winning Margin" bets are void if there is any reduction in the original scheduled Overs for either team.
 - 9) Highest Individual Score bets are void if there is any reduction in scheduled Overs for either team unless a "Century" has already been scored.
 - 10) In Team of Highest Individual Score there must be an official match result for bets to stand.
 - 11) For "Team of Top Batsman" betting, should the intervention of rain (or any other delay) result in the number of Overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets will be declared void granted that the reduction per Innings is of 3 or more Overs in a Twenty 20 match, and of 5 or more in other limited Overs matches. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly. In the event of a tie, dead heat rules might apply as explained in Clause 1 of the

General Cricket Rules.

- 12) For "Fifty/Century in Match" betting, should the intervention of rain (or any other delay) result in the number of Overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets on Most Sixes/Run-Outs will be declared void granted that the reduction per Innings is of 3 or more Overs in a Twenty 20 match, and of 5 or more in other limited Overs matches. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.
- c. Test Matches/First Class Matches (including domestic cricket e.g. Sheffield Shield)
- 1) If a match is officially abandoned (e.g. due to dangerous pitch conditions) then all undecided bets on the match are void.
 - 2) In "Match Result" betting in the event of a tie (where both teams have completed two innings each and have the same score) all bets to win on either team might be paid as a dead heat, as explained in Clause 1 of the General Cricket Rules, while bets on the draw are losing bets.
 - 3) In "Draw No Bet" offers, bets are void if the match finishes in a draw or tie.
 - 4) In "Double Chance" offers, bets will be void if the match finishes in a tie. Settlement of "Most Points" offers will be based on who has most points awarded for the match (e.g. Sheffield Shield).
 - 5) "Top Batsman/Bowler" (innings) offers require 50 Overs to be completed for bets to stand, unless the Innings has reached its natural conclusion (including 'Innings declared').
 - 6) "Top Batsman/Bowler" (match) offers require 50 Overs to be completed for bets to stand, unless the Innings has reached its natural conclusion (including 'Innings declared').
 - 7) For "Innings Runs" offers all bets will be void if 50 overs are not bowled, unless an innings has reached its natural conclusion, or is declared. If an innings is declared at any point bets will be settled on the declaration total.
 - 8) "Session Runs" betting requires 20 overs to be bowled in a session for bets to stand.
 - 9) For "Test Match Finish" offers, where a match finishes in a draw, the winner will be deemed as 'Day 5, Session 3'.
 - 10) "Highest Opening Partnership" offers apply to first innings only.
 - 11) "First Innings Lead" offers require both teams to be bowled out or declare their first innings for bets to stand. In the event of a tie, dead heat rules as explained in Clause 1 of the General Cricket Rules might apply.
 - 12) "First Innings Century" offers require 50 overs to be bowled unless a result has already been determined or the innings has reached its natural conclusion (including innings declared).
 - 13) For "Fifty/Century/Double Century in match" in either Test or First class matches, bets will be void in drawn matches where the number of Overs bowled is less than 200, unless a result has already been determined.
 - 14) For "Fifty/Century/Double Century in match" in 'Home/Away 1st Innings' of either Test or First class matches, bets will be void unless the Innings reaches its natural conclusion (including 'Innings declared') or a result has already been determined.
 - 15) For "Fifty/Century/Double Century in match" in Either 1st Innings of either Test or First class matches, bets will be void unless both Innings reach their natural conclusion (including 'Innings declared') or a result has already been determined.
 - 16) For "Fifty/Century/Double Century in match" in 'Home/Away 2nd Innings' of either Test or First class matches, bets will be void in case the number of Overs bowled for that Innings is less than

50, unless a result has already been

determined. d. Series/Tournament Betting

- 1) Should no draw odds be offered for a "Series Winner" bet and the series is drawn, all bets will be declared void.
- 2) If a tournament is not completed but a winner or winners are declared by the governing body, bets are paid on the winner(s) as declared (dead heat rules as explained in Clause 1 of the General Cricket Rules might apply). Should no winner be declared then all bets will be settled as void.
- 3) All tournament betting includes Finals, unless otherwise stated.
- 4) If for any reason, the number of matches in a Series is changed and does not reflect the number envisaged in the offer all "Series Correct Score" offers will be declared void.
- 5) In "Top Series Runscorer/Wicket Taker" offers where a tie occurs, dead heat rules apply, as explained in Clause 1 of the General Cricket Rules. No refunds will be issued on players not participating. At least one game must be completed in the tournament/series for bets to stand.
- 6) Bets referring to a particular player/teams' performances in a Series/Tournament will not take into account any statistics accumulated from warm-up matches.

10. Curling

- 1) Settlement of all bets referring to Curling will be based on the result after eventual extra innings, unless specifically specified.

11. Cycling (Track & Road)

- 1) Settlement of offers will be based upon the rider/team achieving the highest position at the end of the stage/event.
- 2) The decisive factor in settling bets will be the highest placing in the specified event as listed by the official organization at the time of the podium presentation, disregarding subsequent disqualifications, changes to the official result, etc.
- 3) All "Head to Head" and "Over/Under" bets featuring the performance of one or more riders in an event/stage are considered valid given that all listed riders start the relative event/stage and at least one completes the said event/stage.
- 4) Bets referring to the outcome upon completion of the event require that the specified event is considered as completed in full and its result is declared, otherwise bets will be declared void, unless the result is already determined. In case the full number of stages for an event is not totally completed, or if the organizers decide to remove the result of certain stages from the computation of the official result, then the bets will be deemed valid granted that the number of the excluded stages does not exceed 25% of the pre-established number of stages (excluding prologue) at the beginning of the competition.
- 5) All bets will be deemed as valid provided that the Event, or the relative stage to which the bet refers to, is played within the same year, unless other arrangements have been agreed to.
- 6) Bets on performances in a particular stage stand regardless of any route modifications which the organizers might deem fit to consider and apply during the stage. Exception to this is the case where a stage which has particular characteristics (E.g.: a Mountains stage) is changed by the organizers, before the stage starts, into a stage which has other predominant characteristics (E.g.: Time Trial or low-lying stage). In such case bets which have been placed before the announcement of the change in stage concept will be declared void.

- 7) Unless otherwise specified, in a team/rider performance bet offer in a specific event (such as Total Stage wins by Team/Rider X in Tour Y) or "Head to Head" bet offers involving two riders/teams performances in specific events, occurrences happening in events which are given any of the following denominations will not count towards the settlement: Prologue, Team Time Trial.

12. Cyclo Cross

- 1) House Rules stated for Cycling apply where applicable.

13. Soccer

- 1) First Goal Scorer – The bet refers to a specific player being the scorer of the first goal either during a particular timeframe of the event (E.g. "First goal in the match" or "First goal in the 2nd Half"), or else being the first scorer for his team (E.g. "First Goal Scorer – Team X"). Stakes will be refunded on players who do not take part in the match or else come on the field of play after the goal to which the bet refers to has been scored. Own goals do not count for the settlement of this offer. Should the goal to which the bet refers to be deemed as an own goal, the next player to score a goal which is not an own goal and conforms with the bet offer parameters will be deemed as the winning outcome. In case no goals (or no further goals, as applicable) is/are scored which are not own goals and fulfil the remaining bet offer parameters, all bets will be considered lost.
- 2) Last Goal Scorer – The bet refers to a specific player being the scorer of the last goal either during a particular timeframe of the event (E.g. "Last goal in the match" or "Last goal in the 1st Half"), or else being the last scorer for his team (E.g. "Last Goal Scorer – Team X"). Stakes will be refunded only on players who do not take part in the match at all. In all other instances bets will remain valid, irrespective of the time of inclusion/substitution of the player. Own goals do not count for the settlement of this offer. Should the goal to which the bet refers to be deemed as an own goal, the previous player to score a goal which is not an own goal and conforms with the bet offer parameters will be deemed as the winning outcome. In case no goals (or no previous goals, as applicable) is/are scored which are not own goals and fulfil the remaining bet offer parameters, all bets will be considered lost.
- 3) "Scorecast" and "Matchcast" are bet offers where it is possible to bet simultaneously on a particular occurrence (e.g. First Goal Scorer) combined with another from the same, or related event (e.g. Correct Score in the match, or match outcome). Should the bet refer to First or Last Goal Scorer, House Rules as stated in <Section C, Para 13.1> and <Section C, Para 13.2> will apply, where applicable. Stakes will be refunded on players who do not take part in the match at all. In all other instances bets will remain valid, irrespective of the time of inclusion/substitution of the player. Own goals do not count for the settlement of this offer.
- 4) Unless otherwise specified, or indicated in conjunction with the bet offer, all other goal-related bets will require the listed player(s) to play from the start of the match to be valid. Own goals will never count as a goal scored for any selected player.
- 8) "Head to Head" and "Over/Under" bets involving the performance of one or more players in the match are considered valid given that all listed players start the match for bets to stand.
- 9) "Head to Head" and "Over/Under" bets involving the performance of one or more players in the event/tournament are considered valid given that all listed players take part in the event/tournament at some stage for bets to stand.
- 10) All bets referring to aggregated Tournament Totals (such as Goals, Corners, , etc.) will be settled based on official statistics by the governing association. Unless otherwise stated, cumulative amounts of such bets will include eventual prolongations (e.g. Extra Time) but not Penalty Shoot

Outs.

- 11) Unless specifically stated, all bets referring to a particular team winning a number/selection of trophies in the same season will be based on the particular team's performance within the following competitions: the domestic league, the apparent equivalent of the respective FA Cup and League Cup as well as the Champions League or Europa League. Other trophies (e.g. domestic and European Super Cup, World Club Cup) do not count.
- 12) The "Domestic Double" is to be considered as the team's victory in the apparent equivalent of the respective domestic league and FA Cup.
- 14) Bets on whether a particular player(s) will manage to score from certain areas of the pitch (E.g. from outside the 'penalty box') will be settled based on the position of the ball at the time the shot was struck by the player, irrelevant of any further deflections which the ball trajectory might incur following the initial shot. For the sake of clarity, it is to be understood that the lines delineating the 'penalty box' are to be considered as an integral part of such area of the pitch. Thus, should a shot be struck with the ball hovering above, or touching, even partially, said lines, the shot will not be considered as having been affected from outside the box.
- 15) Bets on whether a particular player(s) will manage to hit the cross bar, goal post or any other part of the frame delineating the goal area will only be settled as having accomplished such feat if the shot does not result directly in a goal being awarded exactly after the ball hits a part of the goal frame. Settlement will only take into consideration shots aimed at the goal frame defended by the opponents of the listed player(s) team. Should a player have a shot which hits the post their team defends this will not be considered as having accomplished such feat.
- 16) During certain events the Operator might decide to offer for betting a reduced selection of participants (E.g. Any unlisted Team X player) or else a single participant as a representation of the whole squad (E.g. "Any Team X player"). In both cases for settlement purposes, all unlisted squad members are to be deemed as starters (and settled as such), including substitutes regardless whether they take part in the match or not.
- 17) Bets on the performance of players starting the match on the bench will be settled as void if the player is either listed in the starting XI or does not take part in the match at all.
- 18) On offers such as Next Goal Scorer, Next Assist and Man of the Match, stakes will be refunded should the chosen player not take part in the match at all. Results for this offer will include any outcomes obtained during eventual Extra Time but not during Penalty Shoot-outs.
- 19) Bets on "Next Assist" for a particular goal will be settled as void should the governing association declare the specified goal as having been unassisted, the specified goal is an own goal and/or no more goals are scored in the match. Results for this offer will include any goals scored during eventual Extra Time but not during Penalty Shoot-outs.
- 20) Bets referring to penalty kicks conversion and/or outcome will be settled according to the outcome occurred on the field of play as per the rules governing that specific scenario and in cases of penalty shoot-outs will remain valid regardless of the format employed by the governing association during the shoot-out. Bets stand in case the penalty is ordered to be re-taken and will be settled with the outcome achieved from the re-taken penalty.

As a general principle, settlement will be based on the concept that unless the penalty kick results in a goal being awarded (and settled accordingly), the first person/object/location (as applicable) which the ball initially touches after being kicked will be considered as the winning outcome, disregarding any other persons/objects the ball hits in its subsequent trajectory following any previous deflection, if any. The following examples are being issued as a general guideline on settlement:

"Goal" would be the winning outcome in case of the following scored penalties scenarios:

- Any penalty kick which ends up as a goal without it being deflected;

- Goalkeeper touches the penalty kick but ball ends up as goal;
- Penalty kick touches the woodwork before ending up in goal.

"Save" would be the winning outcome in case of the following missed penalties scenarios:

- Goalkeeper deflects the penalty kick to outside the goal frame;
- Goalkeeper deflects the penalty kick onto the post/crossbar.

"Woodwork" would be the winning outcome in case of the following missed penalties scenarios:

- 1) Penalty kick hits the woodwork before it is touched/saved by the goalkeeper;
- 2) Penalty kick hits the woodwork and ball goes outside the goal frame.

"Any other Miss" would be the winning outcome in case of any penalty kick which without any deflection either by the goalkeeper or by the woodwork ends up outside the goal frame:

Exception to the above scenarios would be in in case of penalty shoot-outs, should the ball hit the woodwork, bounce on the goalkeeper and end in goal, such penalty will be considered as having been scored while should said situation occur during any other part of the match which is not a penalty shoot-out, the penalty taker would be considered as having missed to score and "hitting the woodwork" will be considered as the winning outcome.

- 21) Any decision taken by the Video Assistant Referee (VAR) which conflicts with the original decision sanctioned by the officials on the pitch (including non-decisions like allowing play to continue before reviewing the video), thus altering the understood state of the match at the time of bet placement, will result in all bets placed in the timeframe between the actual occurrence of the original incident and the referee's final decision on the incident being deemed as void, unless the odds offered on the specific bet offer are unaffected by the use of VAR or have already been accounted for in the odds offered at the time of bet acceptance. Settlement on all other unrelated bet-offers, including those determined by any play between the time of the original incident and the decision following the VAR review, which are not influenced/altered by the VAR decision will stand.

For resulting purposes VAR reviews are to be considered as having happened at the time of the original incident for which the VAR would be eventually used even if play has not been immediately interrupted. The Operator reserves the right, in accordance with <Section A, Para 6.1>, to reverse or resettle any previously settled offers where the settlement becomes inaccurate following the final referee decision, providing said decision is taken and communicated before the conclusion of the match and/or timeframe listed.

In order to avoid any doubts, the Operator will consider the VAR as having been used if it is understood from the referee's gestures (ex. hand gestures, stopping the match to review the incident themselves), and/or the VAR usage is confirmed by the match report issued by the official organization. In cases where it is unclear whether the VAR has been used due to missing TV coverage and/or conflicting reports, the Operator will settle the bets based on the information acquired from feed providers and generally reputable online sources on the basis of equity.

- 24) Any reference to "Free Kicks" both when presented as a single outcome, as well as an occurrence will also take into consideration instances awarded for offsides and any other violation except those sanctioned with a penalty.
- 25) For selected events, and without prejudice to <Section A, Para 5, Clause 4>, the Operator will allow

users to place bets combining outcomes and occurrences from the same event (aka intra-event combinations), either through pre-established combinations present in its Sportsbook or through the BetBuilder functionality. Unless otherwise stated, either in conjunction with the bet offer or in the Sport-specific rules, settlement will be based as per the rules governing the particular sport the bet refers to. All listed occurrences must be fully accomplished for the bet to be considered as winning and any ties will be considered as a LOST outcome, unless otherwise stated within the offer (Example: A bet on Team X to win and have more than 8 corners will be considered as LOST should the listed team win and have exactly 8 corners). Should any part of an intra-event combination be settled as "VOID" in accordance with the respective Sport-Specific rules (Example: the intra-event combination included a bet on Player X to score but the listed player did not start the game when the Sport-Specific rules required them to), the related selections emanating from the same event will also be settled with odds 1.00. In cases of abandoned events, all pending bets will be settled as void with the exception of those the outcome of which has already been decided and no further play could produce a different outcome.

Dead Heat rules will apply except for cases where a play-off has determined a better finishing position.
- 8) All "Head to Head" bet offers require all participants to start in the event/round to which the bet refers to.
- 9) In "Head to Head" bets featuring only two players, stakes will be refunded if both participants share the same finishing position and no draw option has been offered. In "Head to Head" bets featuring three players, should two or more participants share the same finishing position, stakes will be divided in accordance with <Section B, Para 5.19>.
- 10) Settlement of "Head to Head" bet offers involving the performance of two or more players (e.g. Best Finishing Position in the tournament) will be based upon the best finishing position/lowest score (as applicable) achieved in the relative event/round which the bet refers to.
- 11) Any reference to Make/Miss the "Cut" requires an official cut/exclusion effected by the organizers for bets to stand. In the case of tournaments where players are eliminated during more than one phase, settlement will be based on a whether the player has qualified or not following the first "Cut" made.
- 12) Disqualification/withdrawals by a player before the "Cut" is made, will result in the player being considered as having missed the "Cut". Disqualification/withdrawals subsequent to the "Cut" being made will be irrelevant towards the original settlement of the "Make the Cut" offers.

- 13) In "Head to Heads" based on the best finishing position in the tournament, in case one player misses the cut then the other player will be settled as the winner. If both participants fail to make the "Cut" the player with the lowest score at the "Cut" will be considered as the winner. Should both players fail to make the "Cut" with the same score then the bet will be void. A player disqualified after the "Cut" has been made is deemed to have beaten a player who has failed to make the "Cut".

- 3) Certain competitions/events might have offers that are relevant to a specific period/match that can end in a draw, either at the end of the normal 80 minutes of play or even after eventual extra (over) time is played. In such cases bets are settled according to the so-called "dead-heat" rule where the payout would be calculated after the odds are divided and then multiplied by the stake, irrespective of

- 3) “Over/Under” offers on unfinished matches/events the outcome of which is already determined before the interruption and/or any further continuance of play could not possibly produce a different outcome to said offers, will be settled based on the result achieved until the interruption. For the calculation of these settlements, the minimum amount of occurrences which should have been needed to bring the offer to the natural conclusion will be added as necessary depending on the number of sets which the match is scheduled for. Should this calculation produce a situation where no possible alterations could affect the outcome of the offer this will be settled as such. See examples from the tennis- section for reference.
- 4) “Handicap” offers require all scheduled heats to be completed for bets to stand except in those events the outcome of which is already determined before the interruption and/or any further continuance of play could not possibly produce a different outcome to said offers which will be settled accordingly. However, the Operator will take into account and settle/re-settle accordingly, any changes to the official result issued within 24 hours after the event has taken place. For such eventuality to be considered, the protest must be attributable to incidents happening exclusively during the event, such as a lane infringement or an early start in a relay race, etc. No doping cases will be considered. The result available at the end of the aforementioned 24 hours will be deemed as binding regardless of any further protests, changes to the official result, etc.
- 3) If two or more participants take part in different heats during a competition, all Head-To-Head-offers between them will be considered void, unless there is a later stage in the competition that at least one of them qualifies for.
- 4) A participant who is disqualified due to the infringement of the start procedure (false start) will be deemed to have taken part in the event.

24. Tennis and Racket Sports (Badminton, Racketball, Squash & Table Tennis)

- 1) All bets will remain valid as far as the match/offer is played within the tournament framework regardless of any changes (either before or during the match), in conditions (indoor/outdoor) and/or surface types, unless other arrangements have been agreed.
- 2) "Match" bet offers are based on the general principle of tournament progress or tournament win, depending on which phase of the competition the match refers to. The player/team progressing to the next round or winning the tournament is to be considered as the winner of the bet regardless of match duration, withdrawals, disqualifications, etc. These bets require at least one set to be completed for bets to stand.
- 3) "Over/Under" and "Handicap" offers on unfinished matches the outcome of which is already determined before the interruption of play and/or where any further continuance of play could not possibly produce a different outcome to said offers, will be settled based on the result achieved until the interruption. For the calculation of these settlements, the minimum number of occurrences which should have been needed to bring the offer to the natural conclusion will be added as necessary depending on the number of sets which the match is scheduled for. Should this calculation produce a situation where no possible alterations could affect the outcome of the offer this will be settled as such. The following examples can be used for consideration:

- Example 1 - Over/Under: A retirement occurs in a match scheduled for three sets with the score 7-6, 4-4. The offers: "Total Games Set 2 – 9.5" (or any lines lower than that amount) & "Total Games Played in the Match – 22.5" (or any lines lower than that amount) will be settled with "Over" bets as winning and "Under" bets as losing. Bets on lines higher than that will be settled as void.
- Example 2 - Handicap: A retirement occurs at the start of the 3rd set in a match scheduled for 5 sets with the score at 1-1. Bets on +2.5/-2.5 Sets will be settled as winners and losers respectively.

Offers on any lines lower than that amount will be settled as void.

- 4) All "Correct Score" (namely Set Betting and Game Betting), "Odd/Even", and those offers which refer to the winner of a particular period in the match (example "Which player will win the first set?" and "Set 2 – Game 6: Winner" require the relevant part of the match to be completed.
- 5) All type of offers not specified above require at least one set to be completed for bets to stand, except for those offers the outcome of which is already determined before the interruption of play and any further continuation of play could not possibly produce a different outcome.
- 6) In a Doubles match, all bets will be declared void if any of the stated players are being replaced.
- 7) Any reference to "Grand Slams" will be based on the tournaments for that particular season to which the ITF attributes said definition, irrespective of any venue, date, or any other changes.
- 8) Unless explicitly stated, all bets on Davis Cup matches will be voided in case it is decided that the match is played in any other format than "Best of 5 Sets", (e.g. Best of 3 Sets).
- 9) Offers relative to the Davis Cup are offered with the explicit assumption that the particular match-up will form part of the so-called "rubbers" for the next available Singles session, which usually consists of two Singles matches per session. All bets will be cancelled on matches which are intended for the first or second rubber (usually Friday Singles matches) which had the listed participants changed, regardless of the fact that the same encounter could actually happen during other match-ups of the same tie/round.
- 10) Results acquired in a "Pro Set" will be valid only for the following offers: "Match", "Set Handicap", "Set Betting" and "Total Sets". All other types of offers will be settled as void, with the exception of offers the outcome of which is already determined.
- 11) In cases where a "Match Tie-Break" is used by the organizing committee/federation as the deciding factor in determining the outcome of the match, said "Match Tie-Break" will only count as 1 "Game" as applicable. (Example: A match with the following scores: 6-4 (Set 1), 2-6 (Set 2) and 10-8 (Match tie-break) will be resulted in Participant/Team A winning 9 Games (6+2+1) while Participant/Team B will be considered as won 10 (4+6+0).

- 1) Any points tallied during the so called "Golden Set" will not count for the settlement of the offers relating to that particular match, with the exception of any bets referring to tournament progression and Tournament Totals.

- 3) "Head to Head" and "Over/Under" bets involving the performance of one or more players in the match/event/tournament are considered valid given that all listed players take part in the match/event/tournament at some stage.
- 4) "Over/Under" and "Handicap" offers on unfinished matches the outcome of which is already determined before the interruption of play and/or where any further continuance of play could not possibly produce a different outcome to said offers, will be settled based on the result achieved until the interruption. For the calculation of these settlements, the minimum number of occurrences which should have been needed to bring the offer to the natural conclusion will be added as necessary

depending on the number of sets which the match is scheduled for. Should this calculation produce a situation where no possible alterations could affect the outcome of the offer, this will be settled as such. See examples from the tennis-section for reference.

- 5) All "Correct Score" offers, "Odd/Even", and those offers which refer to the winner of particular period/timeframe in the match (example "Which team will win the 1st set?" and "Set 2 – Race to 15 points" require the relevant part of the match to be completed.

26. Winter Sports

- 1) This section is valid for the following sports: Alpine Skiing, Biathlon, Cross Country Skiing, Freestyle, Nordic Combined, Short Track, Ski Jumping, Snowboard & Speed Skating.
- 2) Results from a competition will be deemed valid if it is declared as a valid competition for the relevant category, by the governing association for that sport. This applies in case of an event being shortened, such as only consisting of one run/jump instead of two, or an event being moved to another venue.

Should the specific event be moved for any reason whatsoever and an exactly similar event for that sports/discipline is held in the same location starting in not more than 72 hours, the bets will be valid for the next scheduled event in that sports/discipline. Thus, if for example two separate races from the same sports/discipline are scheduled for Friday and Saturday and the Friday competition is moved to Saturday or Sunday, the bets on the Friday competition will be settled in accordance with the next scheduled event, in this case Saturday's events. In cases where just 1 event is scheduled in that sports/discipline and the starting time is moved less than 72 hours, bets will remain valid and will be

settled accordingly. Should no event with the same connotations be held in the 72 hour period after the initially scheduled time, bets will be settled as void.

- 7) In a "Head to Head" between two or three participants, at least one of the listed participants must complete the final run/stage/jump which the bet refers to, for bets to be considered valid. Such provision is not applicable for Cross-country Sprint events which include different elimination stages as well as Ski Jumping. In such cases, settlement will be based on the official classification irrespective of whether any of the listed participants completes the final run/stage/jump.
